Exhibitor Information & Premium Book

“AGRICULTURE – A TO Z”

Agriculture is the art and science of cultivating the soil, growing crops, and raising livestock. **Some 2.1 million** farms dot America’s rural landscape. Colfax Township is home to a variety of agricultural operations including Amish farms using horse-drawn equipment; small-scale specialty farms owned by individuals and modern commercial farm operations utilizing high-tech equipment. The 2019 Colfax Free Fair salutes “Agriculture—A to Z” and thanks farmers for their work and dedication. Visit the exhibit hall to learn more about local farming resources.
