**CUT OFF DATE: 3rd of the month at 12:00 noon**

Billing cycle varies each month

IF YOU ARE CUT OFF FOR NON PAYMENT ***TWICE*** WITHIN ONE YEAR, A SECOND DEPOSIT WILL BE REQUIRED BEFORE WATER SERVICE IS RESTORED.

System rates are determined by the wholesale rate of purchased water from supplier, the Town of Forest City Water System. The rates are set in order to provide proper return to payback the cost of wholesale water, funding for maintenance and general up-keep of the system. The rates are reviewed on an annual basis and are subject to increase at that time.
